

The sensual ladder back ottoman

Made with an image of a peaceful time spent leaning on a lounge chair while resting your feet on the ottoman. The ottoman can also be used as a stool, so we emphasized its size, beauty, and portability, ensuring it fits snugly and easily into your lifestyle. Its angled legs evoke a calm atmosphere, with its minimalistic crosspiece accentuating its simple, clean appearance. The seat cushion was also trimmed via piping, balancing the soft feel and sharp outlines.
