

Leonardo swing lounge chair

The focal point of this lounge chair's design is the stitch line that appears to pinch to the tips of the armrests and swing around the seating surface in a single stroke. While presenting an impression of swing, as if the chair is waltzing slowly, the Leonardo swing lounge chair carefully maintains a mature dignity. Your arms naturally relax into the chair's armrests, while the seating's reduced back-front width creates a shape that ensures the chair gently envelops and supports your back.
